

### TARGETED LEADERSHIP FRAMEWORK

An unrelenting focus on learning through targeted continuous improvement of powerful instructional practices is the **FOUNDATION OF SUCCESS** and the core of the work.

### 7 STEP CYCLE OF PROFESSIONAL LEARNING

Job-embedded inquiry processes ensure improvement in practice occurs.

## IMPROVE LEARNING

**LEARN HOW TO USE PRACTICAL TOOLS** and protocols that identify powerful instructional practices and then ensure those practices become “the way of work”

**LEVERAGE INDICATORS** to increase impact data and focus coaching efforts into action steps

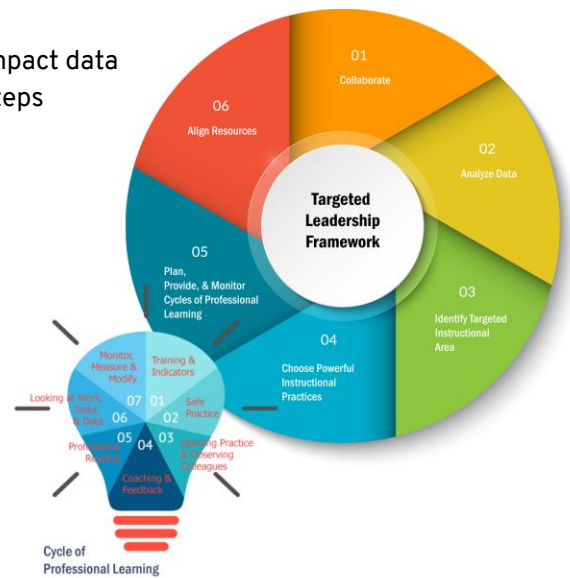

**OPEN PRACTICE** of teams with a proven cycle of professional learning that builds on successes of team members and accelerates implementation of instructional practices

**DISTRIBUTE LEADERSHIP** so implementers take ownership of the change process in do-able, incremental steps

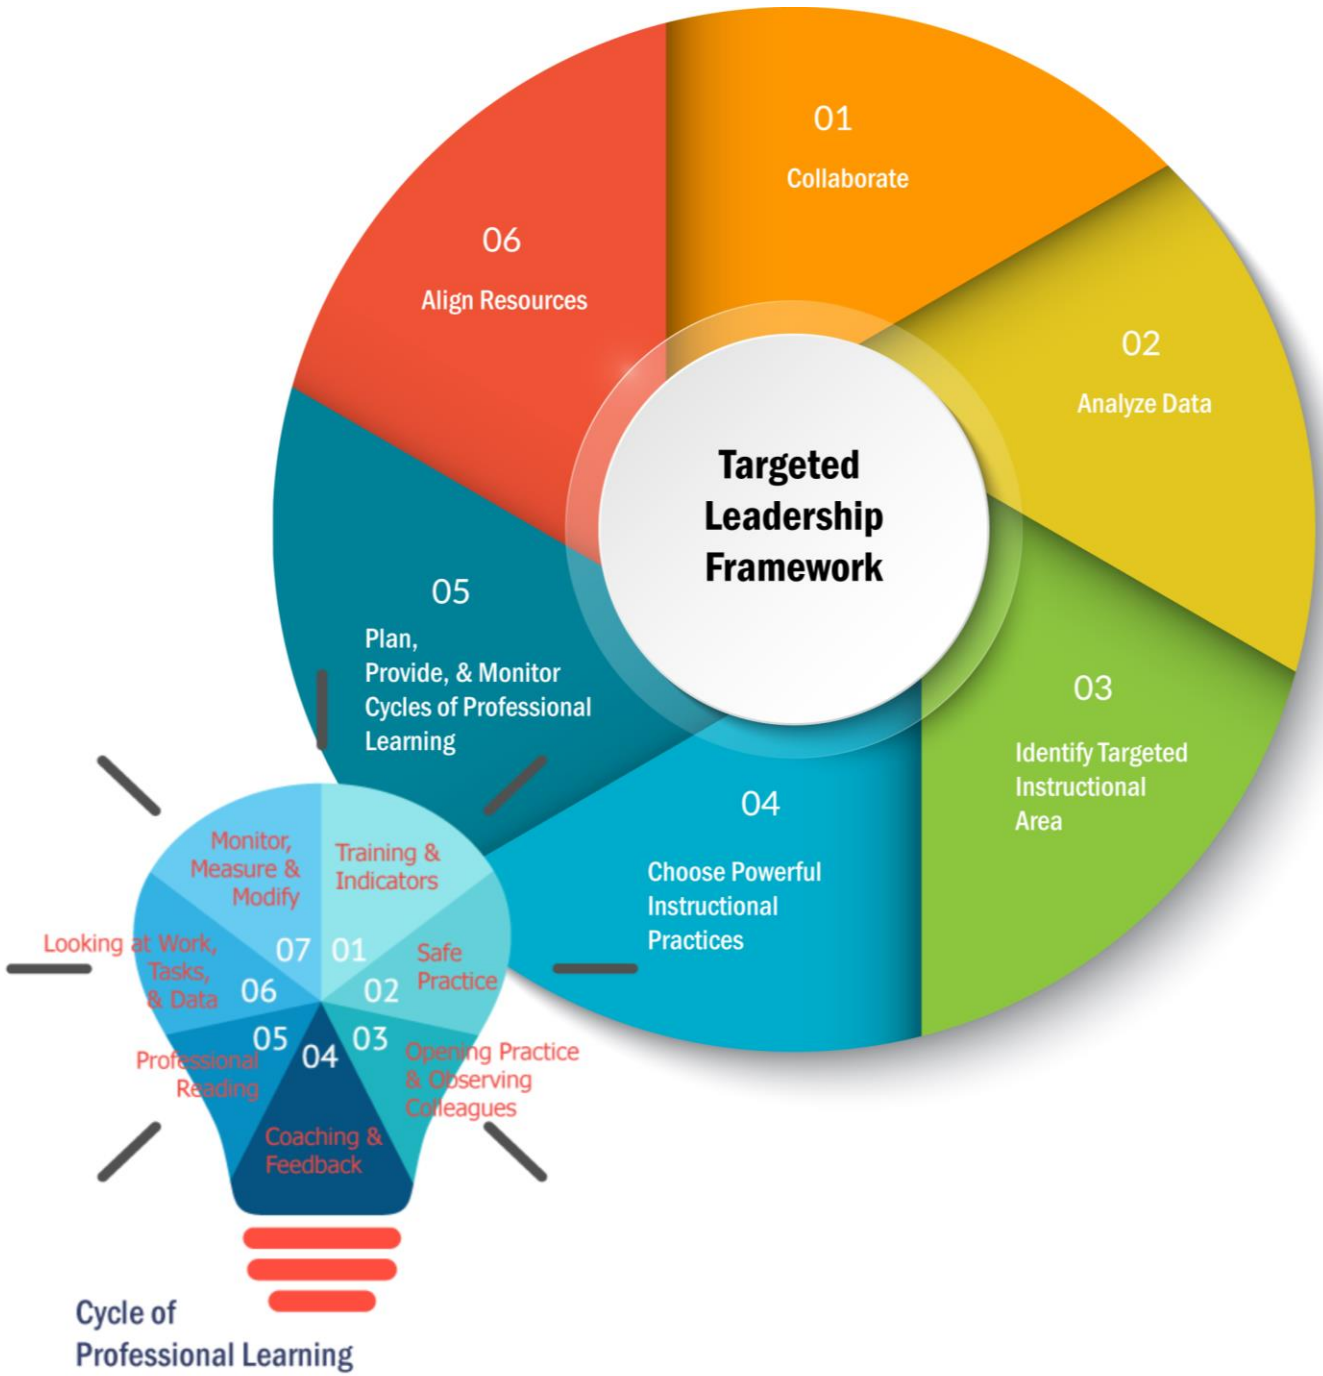

**ACCELERATE TEACHER LEARNING** with proven tools and skills to embed professional learning within the workday planning time and classroom

**CUSTOMIZE ENTRY POINTS** of the improvement process to meet the needs of your district, school, teachers, and students

**APPLY SIX SIGMA AND LEAN TOOLS** adapted for education
